- Briefly share how student learning outcomes assessment is conducted within your program/department (e.g. number of outcomes, examples of assignments used, and frequency of assessment).

Survey of Student Learning Outcomes. We assess them using 4 different methods. 1) Course worksheets, 2) Coop
for more information.

Which student learning outcome(s) from the assessment plan filed with the
Assessment Team is/are being reported on in this report? Include the corresponding benchmark(s) for

SLO 6: an ability to develop and conduct appropriate experimentation, analyze and interpret data, and use
engineering judgment to draw conclusions.

Assessed using the 4 methods listed above. We would like to see an assessment score of 3 or above.

- For which institutional outcome(s) do the reported student learning outcome(s) align?

	Institutional Outcome
