ence in and adaptation, rse lays a solid within their major

The Communication Studies – CST 1010 Fundamentals of Speech course builds students' confid communicating with a live, immediate audience by emphasizing speech delivery skills, audience message organization, use of supporting material, and building of credibility. The CST 1010 cou foundation for students to effectively apply and further develop their oral communication skills course of study.

ubric that varied from

This was the first round of assessment since the pilot program in 2020. The assessment used a r in every phase of the assessment. In the fall 2023 semes were used as artifacts for assessment. A total of 21 arti of the course, were submitted to the facu Faculty evaluated sample artifacts and also s nner. Up to evaluate the rest of the 21 artifa

5. Results, Planned Actions, and/or Actions Taken

Faculty discourse captured during the norming session; the rubric score and scale; interpretation of the score; and plans to enhance student learning. \*

Results, Planned Actions, and/or Actions Taken  
Results showed that the overall mean rubric score was 3.2. All outcomes on the rubric scored above the 3.0 milestone, with the exception of outcome A1.5. Below is a table that includes coverage of 2.9. Our research highlights that additional analysis was required after discussion of the rubric area (from the AY14 assessment). It is likely areas

of strength, including use of supporting materials (outcome A1.6) and ethical purpose noted that audience analysis and adaptation (A1.3) was a strong point.

Faculty Observed several (outcome A1.2). It was also
