under the Plan. For purposes of the preceding sentence, qualified benefits shall not include benefits which (without regard to paragraph) are includible in gross income.

(c) Adjustment to avoid the preceding sentence

(a) Notwithstanding any provision contained in this Health Flexible Spending Account to the contrary, the maximum amount that may be allocated to the Health Flexible Spending Account by a Participant in or on account of any Plan Year is \$2750.00.

(b) The minimum amount that may be allocated to the Health Flexible Spending Account by a Participant in or on account of any Plan Year is \$60.00.

(c) Participation in Other Plans. All employers that are treated as a single employer under Code Sections 414(b), (c), or (m), relating to controlled groups and affiliated service groups, are treated as a single employer for purposes of the statutory limit. If a Participant participates in multiple cafeteria plans offering health flexible spending accounts, only the total Health Flexible Spending Account contributions under all of the cafeteria plans are limited to the statutory limit (as adjusted). However, a Participant employed by two or more employers that are not members of the same controlled group may elect the statutory limit (as adjusted) under each Employer's Health Flexible Spending Account.

6.9 QUALIFIED RESERVIST DISTRIBUTIONS

(a) Qualified Reservist Distribution. A Participant may request a Qualified Reservist Distribution, provided the following provisions are satisfied. "Qualified Reservist Distribution" means any distribution to a Participant of all or a portion of the balance in the Participant's Health Flexible Spending Account if:

- (1) Such Participant was an individual who was (by reason of being a member of a reserve component (as defined in Section 101 of Title 37, United States Code)) ordered or called to active duty for a period of 180 days or more or for an indefinite period.
- (2) A Participant may have been called prior to June 18, 2008, provided the individual's duty continues after June 18, 2008 and the period of duty complies with subsection (a).
- (3) The distribution is made during the period beginning on the date of the order or call that applies to the Participant and ending on the last day of the Plan (or Grace Period) which includes the date of such order or call.
- (4) The Qualified Reservist Distribution option is offered to all Participants who qualify under this Article.
- (5) Qualified Reservist Distributions may only be made if the Participant is ordered or called to active duty, not the Participant's spouse or dependents.
- (6) Under Section 101 of the Title 37 of the United States Code, "reserve component" means: (1) the Army National Guard, (2) the Army Reserve, (3) the Navy Reserve, (4) the Marine Corps Reserve, (5) the Air National Guard, (6) the Air Force Reserve, (7) the Coast Guard Reserve, or (8) the Reserve Corps of the Public Health Service.

(b) Conditions: The following conditions apply:

- (1) The Employer must receive a copy of the order or call to active duty and may rely on the order or call to determine the period that the Participant has been ordered or called to duty.
- (2) Eligibility for a Qualified Reservist Distribution is not affected if the order or call is for 180 days or more or is indefinite, but the actual period of active duty is less than 180 days or is changed otherwise from the order or call.
- (3) If the original order is less than 180 days, then no Qualified Reservist Distribution is allowed. However, if subsequent orders increase the total days of active duty to 180 or more, then a Qualified Reservist Distribution will be allowed.

(c) Amount: The amount a Participant may be reimbursed from the Health Flexible Spending Account is amount contributed by the Participant to the Health Flexible Spending Account as of the date of the distribution request, less any reimbursements received as of the date of the distribution request

(d) Procedure. The Employer must specify a process for requesting the distribution. The Employer may limit the number of distributions processed for a Participant per Plan Year. The distribution request must be made on or after the call or order and before the last day of the Grace Period. The QRD shall be paid within a reasonable time but in no event more than 60 days after the date of the request.

(e) Claims. Claims incurred prior to the date of the request of the distribution shall be paid as any other claim. Claims incurred after the date of the distribution shall be paid and the Participant's right to submit a claim shall be terminated as of the date of the distribution request
